Pernod Ricard's Olmeca Tequila empowers individuality with first global and 'Most Fantastic' limited-edition

Pernod Ricard's Olmeca Tequila is electrifying the tequila category with the release of three striking first and 'Most Fantastic' global limited-edition bottles for its awardwinning Olmeca Silver.

**THE MOST
FANTASTIC
EDITION**

Pernod Ricard's Olmeca Tequila is electrifying the tequila category with the release of three striking first and 'Most Fantastic' global limited-edition bottles for its award-winning Olmeca Silver¹.

Designed to drive differentiation in a fast-growing – but increasingly crowded – category, these exclusive bottles blend Olmeca's modern-day party spirit with the rich tapestry of its Mexican heritage.

Created in partnership with Oaxacan workshop "Una Inspiración de Mi Vida", run by acclaimed Tonas y Nahuales artist Victor Fabian – a third-generation artisan from Oaxaca's Central Valley – the limited-edition artwork for Olmeca Silver spotlights traditional Zapotec craftsmanship through vibrant, quirky interpretations of this revered form of Mexican folk art.

The 'Most Fantastic Edition' bottles feature three curious creatures in bright, bold colourways – the charismatic Xolo Dog, the sociable Chameleon, and the multi-tasking Octopus – created to drive standout and command attention on shelves and back bars across the globe. Each figure represents distinct personality traits that reflect the diverse dynamics of partygoers, imbuing the bottles with a profound sense of connection and self-expression.

"Our new limited-edition line-up combines Olmeca's playful, party spirit with Mexican tradition and has been designed with fun-seeking, Gen Z and millennial consumers in mind", International Spirits Challenge 2024 (Bronze Medal), **says Daniela Via, VP Marketing & S&R at House of Tequila – Pernod Ricard.** "This audience is increasingly looking to nightlife and bar spaces as outlets for self-expression, and we want to be the brand to help them embrace this. By spotlighting three distinct Tonas y Nahuales to which shoppers can relate, we're fostering a deeper emotional connection for Olmeca.

"As well as appealing to our core audience, the new limited-edition packaging is also aimed at tapping into the global appeal of Mexican culture. You only have to look at the international prevalence of Mexican cuisine and cocktails to see how popular this trend is. So, launching Olmeca's first global limited-edition bottles is the perfect way to leverage this further, while catering to the growing demand for high-quality tequila that goes beyond flavour – in this case, by empowering individuality."

To amplify the launch, Olmeca is rolling out a multi-channel marketing campaign designed to maximise engagement across both on-trade and retail landscapes. 'The Most Fantastic Edition' will include a series of on and off-trade activations and events, alongside PR, digital, social media and influencer activity.

On-trade venues can bring the new launch to life with a curated selection of branded materials, such as vibrant shot trays, coasters, and interactive party games. Meanwhile, bartenders around the world will be invited to unleash their creativity by crafting custom Olmeca cocktails, including the 'Green Perrito,' 'Party Diva,' and 'Pulpo Splash.'

From mid-November, the limited-edition Olmeca Silver bottles (700ml, 35% ABV) will roll out in various global markets across both the on and off-trade (€22 RRP), including China, Turkey, South Africa, Zambia, Ukraine and Romania. Available at the same price as the original Olmeca Silver, consumers can indulge in this exclusive collection at no extra cost.
